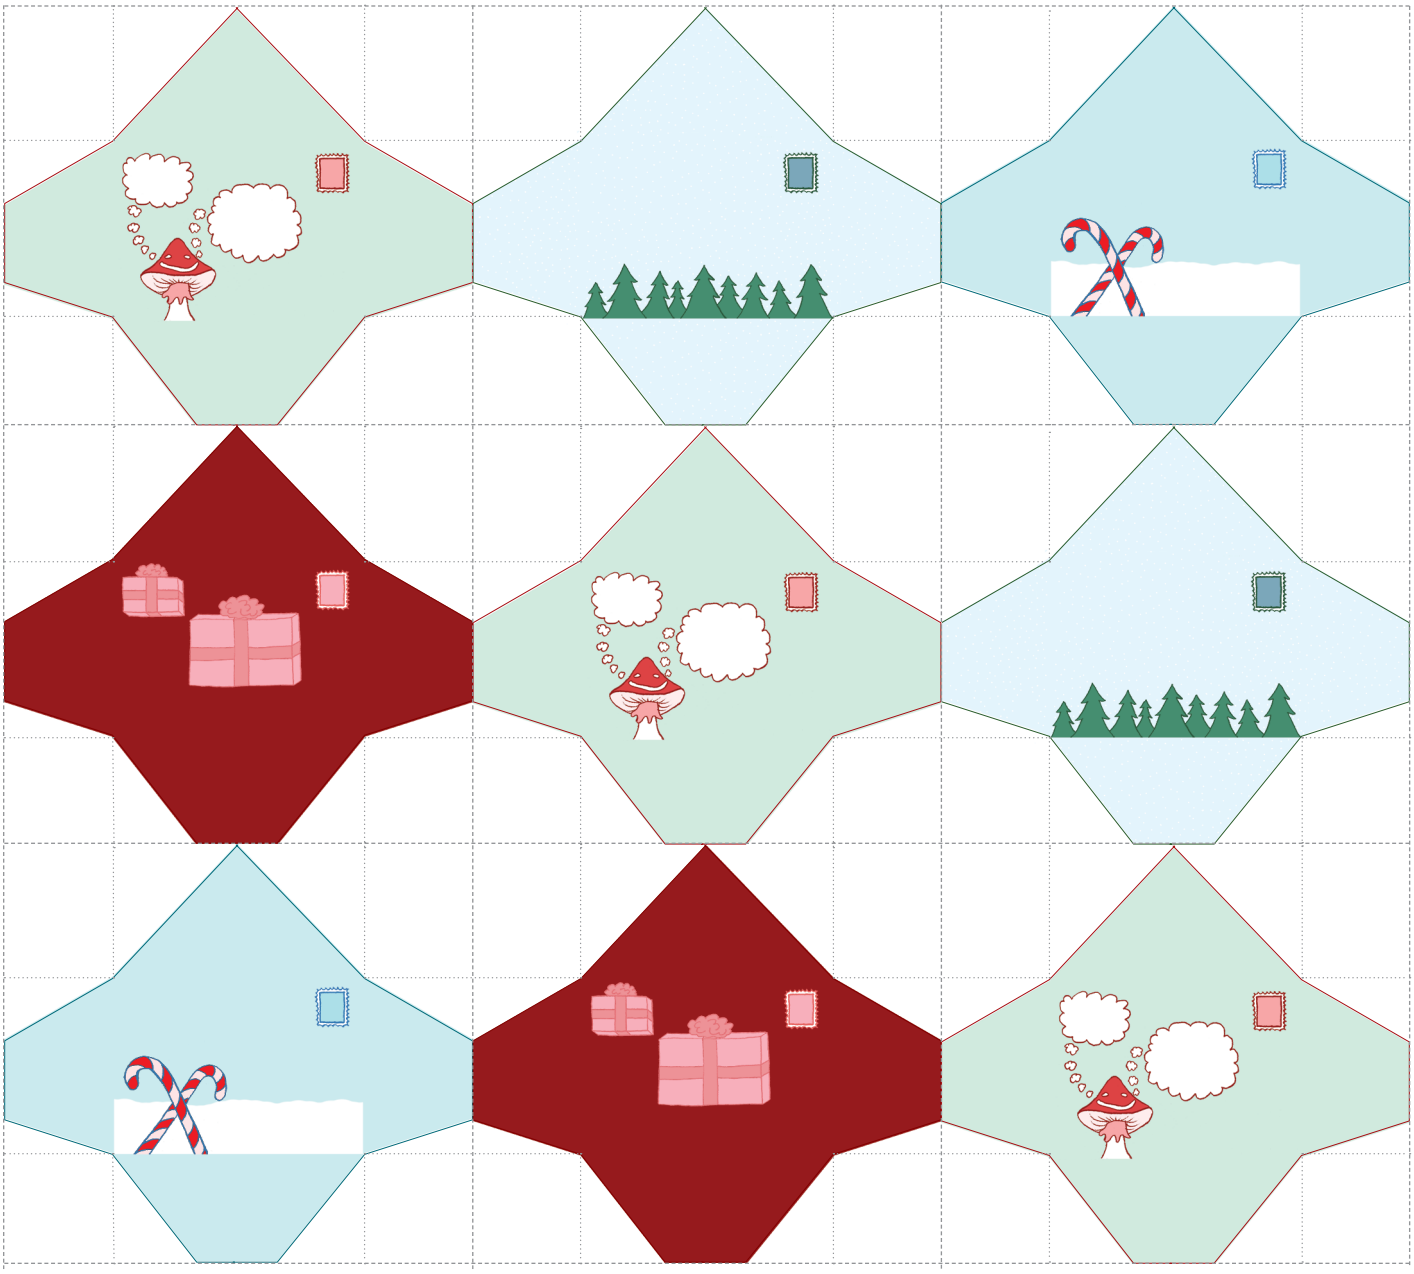
Blythe Holiday Cards



Share the holiday spirit with these printable playscale greeting cards!

Instructions:

1. Print the envelopes onto regular printer paper and the cards onto heavy cardstock.
2. Cut along the dashed lines around the envelopes, fold along the dotted fold lines, and cut along the outlines.
3. Glue together the bottom three tabs of the envelopes.
4. Use a bone folder or butter knife to score the fold line of the cards on the right side of the paper.
5. Cut out the cards and fold along the fold lines.

I'd love to see any projects you make with this printable!
